Des citoyens israÃ©liens Ã lâ??UE: Faites pression sur IsraÃ«l pour quâ??il accepte les conditions dâ??une trÃ¨ve proposÃ©e par le Hamas

Description

Dimanche, 20 juillet, un groupe de plus de 200 citoyens israÃ©liens a envoyÃ© une lettre au Conseil EuropÃ©en, Ã la Commission et au Parlement EuropÃ©ens les appelant Ã faire pression sur IsraÃ«l pour quâ??il accepte les conditions du Hamas pour une trÃªve.

Par ailleurs, Ã ce jour, 725 citoyens israÃ©liens ont signÃ© une pÃ©tition en ligne pour soutenir les conditions du Hamas en tant que base pour des nÃ©gociations directes et immÃ©diates :

Des citoyens israÃ©liens acceptent les conditions dâ??une trÃªve proposÃ©es par le Hamas :

Nous, citoyens israÃ©liens soussignÃ©s, appelons le Conseil, la Commission et le Parlement EuropÃ©ens Ã faire pression sur IsraÃ«l pour quâ??il accepte les conditions de la trÃªve prÃ©sentÃ©es par le Hamas (telles que prÃ©sentÃ©es dans les mÃ©dias israÃ©liens et internationaux).

Les conditions se font lâ??Ã©cho de recommandations antÃ©rieurement faites par les Nations Unies, lâ??Union EuropÃ©enne et les principales organisations des droits de lâ??Homme, et plus particuliÃ¨rement par le Rapport Goldstone. Le refus du gouvernement israÃ©lien de considÃ©rer ces conditions aboutit au sacrifice de vies civiles dans le but de poursuivre indÃ©finiment lâ??occupation et de contrecarrer lâ??accord tant attendu dâ??unitÃ© nationale palestinienne.

La rÃ©pugnance dâ??IsraÃ«l Ã considÃ©rer toute proposition politique et diplomatique faite par la direction palestinienne ou des mÃ©diateurs rÃ©gionaux et internationaux est trÃ¨s coÃ»teuse en vies humaines. Elle dÃ©veloppe aussi les tendances Ã lâ??inquiÃ©tude dans le public israÃ©lien, influencÃ©es par la rhÃ©torique gouvernementale du Â« pas de partenaire Â». On ne peut plus accepter cela.

Voici les conditions du Hamas (telles que rapportÃ©es dans les mÃ©dias). Nous souscrivons entiÃ¨rement Ã ces conditions qui sont un premier pas vers une solution juste en IsraÃ«l/Palestine.

Retrait des tanks israÃ©liens de la frontiÃ¨re de Gaza ;
LibÃ©ration de tous les prisonniers arrÃªtÃ©s aprÃ¨s le meurtre des trois adolescents ;
LevÃ©e du siÃ¨ge et ouverture des passages pour le commerce et la population ;
Installation dâ??un port et dâ??un aÃ©roport internationaux, Ã©ventuellement sous contrÃ´le des Nations Unies ;
Elargissement de la zone de pÃªche Ã 10 kilomÃ¨tres ;
Internationalisation du Passage de Rafah et son placement sous le contrÃ´le des Nations Unies et de quelques pays arabes ;
Des forces internationales aux frontiÃ¨res ;
Facilitation des conditions pour aller prier Ã la mosquÃ©e Al Aqsa ;
RÃ©installation dâ??une zone industrielle et amÃ©lioration des possibilitÃ©s de dÃ©veloppement

Ã©conomique dans la Bande de Gaza.

Nous sommes tous Ã©pouvantÃ©s par la mort et la destruction Ã Gaza. Cependant, ce nâ??est pas simplement une tragÃ©die, câ??est une politique. Ceci peut et doit changer. Câ??est dans les mains des leaders politiques et des nations pacifiques. Nous vous demandons instamment dâ??agir immÃ©diatement pour quâ??IsraÃ«l cesse toute violence contre la population de Gaza, mette fin au siÃ¨ge et prenne des mesures en vue dâ??une juste paix.
