

« En tant que musicien.nes, nous ne pouvons pas rester silencieux »
Musicien.ne.s pour la Palestine

Description

Par Musicien.ne.s pour la Palestine, le 27 septembre 2022

La nouvelle page de l'initiative « Musicien.nes pour la Palestine » met en exergue l'engagement de plus de 1500 musiciennes et musiciens qui appellent leurs pair.e.s à ajouter leurs noms pour « refuser de se produire dans les institutions culturelles complices d'Israël ». L'Agence Média Palestine reproduit ici leur déclaration et leurs noms, que vous pouvez également [consulter sur leur page Instagram](#).

En solidarité et en empathie,

En tant que musiciens, nous ne pouvons pas rester silencieux. Aujourd'hui, il est essentiel que nous soyons aux côtés de la Palestine.

Nous appelons nos pairs à affirmer publiquement leur solidarité avec le peuple palestinien. La complicité avec les crimes de guerre israéliens se fait en silence, et aujourd'hui le silence n'est pas une option.

Le silence n'est pas une option alors que le brutal bombardement israélien de Gaza assiégé fait des milliers de morts palestiniens.

Le silence n'est pas une option alors que les habitants de Sheikh Jarrah, dans la Jérusalem occupée, sont continuellement chassés de leurs maisons.

Le silence n'est pas une option alors que des millions de réfugiés palestiniens et palestiniennes se voient refuser leur droit collectif au retour.

Le gouvernement israélien met en œuvre un projet colonial visant au nettoyage ethnique de la population palestinienne. La violence systématique, le racisme et la dépossession héréditaires du colonialisme doivent cesser. Nous demandons à tous les gouvernements de ne plus financer les technologies militaires qui profitent à l'État israélien et à ses crimes de guerre.

Aujourd'hui, nous parlons d'une seule voix et nous exigeons la justice, la dignité et le droit à l'autodétermination pour les Palestiniennes et Palestiniens, comme de tous ceux qui luttent contre la dépossession et la violence coloniales à travers la planète.

Nous vous appelons à nous rejoindre en refusant de vous produire dans les institutions culturelles complices d'Israël, et en soutenant fermement le peuple palestinien et son droit à la souveraineté et à la liberté. Nous croyons que ce geste est indispensable pour pouvoir espérer vivre un jour dans un monde sans ségrégation ni apartheid.

Pour une Palestine libre

????????????????????

In Solidarity and Empathy,

As musicians, we cannot be silent. Today it is essential that we stand with Palestine.

We are calling on our peers to publicly assert their solidarity with the Palestinian people. Complicity with Israeli war crimes is found in silence, and today silence is not an option.

Silence is not an option as the brutal Israeli bombardments of besieged Gaza claim thousands of Palestinian lives.

Silence is not an option as residents of Sheikh Jarrah in occupied Jerusalem are continuously forced out of their homes.

Silence is not an option as millions of Palestinian refugees are denied their collective right of return.

The Israeli government operates a settler-colonial project committed to the ethnic cleansing of the Palestinian population. The legacies of systemic violence, racism and dispossession shaped by colonialism must stop. We call on all governments to stop funding all resources and technologies that back the Israeli state and their war crimes.

Today, we speak together and demand justice, dignity and the right to self-determination for the Palestinian people and all who are fighting colonial dispossession and violence across the planet.

We call for you to join us with your name in refusing to perform at Israel's complicit cultural institutions, and by standing firm in your support of the Palestinian people and their human right to sovereignty and freedom. We believe this is crucial to one day live in a world without segregation and apartheid.

¿??â??

Como mÃs, no podemos quedarnos calladxs. Hoy es fundamental que apoyemos a Palestina. Hacemos un llamado a nuestrxs colegas para que afirmen pÃblicamente su solidaridad con el pueblo palestino. La complicidad con los crÃmenes de guerra israelÃes se encuentra en el silencio, y hoy el silencio no es una opciÃ³n.

El silencio no es una opciÃ³n ya que el brutal bombardeo israelÃ de la sitiada Gaza se cobra miles de vidas palestinas.

El silencio no es una opciÃ³n, mientras que lxs residentes de Sheikh Jarrah en la JerusalÃ©n ocupada estÃ¡n siendo violentamente forzadxs a abandonar sus hogares.

El silencio no es una opciÃ³n, mientras a millones de refugiadxs palestinxs se les niega su derecho colectivo al retorno.

El gobierno israelÃ es un proyecto dedicado a la limpieza Ã©tnica de la poblaciÃ³n palestina. Debe cesar el legado de la violencia sistÃ©mica, el racismo y el despojo moldeados por el colonialismo. Hacemos un llamado a nuestros estados nacionales a dejar de financiar la capacidad militar del gobierno israelÃ.

Hablamos juntos y exigimos justicia, dignidad y el derecho a la autodeterminaciÃ³n del pueblo palestino y de todxs lxs que luchan alrededor del planeta contra el despojo colonial y la violencia.

Te pedimos que te sumes a nosotrxs con tu nombre, negÃ¡ndote a actuar en las instituciones culturales cÃ³mplices de Israel, manteniÃ©ndote firme en tu apoyo al pueblo palestino y su derecho humano a la soberanÃa y la libertad. Creemos que esto es crucial para algÃºn dÃa poder vivir en un mundo sin segregaciÃ³n ni apartheid.

En solidaridad y empatÃa,

â??
