Gaza : des centaines dâ??universitaires irlandais.es signent une lettre demandant aux universitÃ©s irlandaises de suspendre leurs liens avec les institutions israÃ©liennes

Description

Des universitaires Ã©crivent : Â« Lâ??ampleur et la gravitÃ© de la guerre actuelle dâ??IsraÃ«l contre la bande de Gaza ont dÃ©passÃ© tous les niveaux de violence prÃ©cÃ©dents dans le cadre de lâ??occupation israÃ©lienne prolongÃ©e et brutale de la Palestine.Â«

Par les universitaires citÃ©s en fin dâ??article, le 4 novembre

PHOTO : GETTY IMAGES / MOHAMMAD ZANOUN

Monsieur,

Nous Ã©crivons en tant quâ??universitaires et chercheurs.euses dâ??Irlande ou originaires de ce pays. Lâ??ampleur et la gravitÃ© de la guerre actuelle dâ??IsraÃ«l contre la bande de Gaza ont dÃ©passÃ© tous les niveaux de violence prÃ©cÃ©dents dans le cadre de lâ??occupation israÃ©lienne prolongÃ©e et brutale de la Palestine.

Il sâ??agit dâ??une campagne de nettoyage ethnique et, selon de nombreux expert.e.s, dâ??une violence gÃ©nocidaire.

Lâ??incursion des groupes armÃ©s palestiniens le 7 octobre comprenait des attaques criminelles contre des civil.e.s.

Mais en aucun cas le droit international nâ??autorise le bombardement systÃ©matique et la punition collective de civil.e.s dans un territoire occupÃ© assiÃ©gÃ©.

Le langage dÃ©shumanisant et les formules largement utilisÃ©s par les dirigeant.e.s israÃ©liens en rÃ©fÃ©rence aux Palestinien.ne.s font Ã©cho Ã ceux typiquement associÃ©s Ã lâ??incitation et Ã lâ??intention gÃ©nocidaires.

Au cours des trois derniÃ¨res semaines, les actes militaires dâ??IsraÃ«l ont Ã©tÃ© Ã la hauteur de ces mots, tuant plus de 9 000 Palestinien.ne.s Ã lâ??intÃ©rieur de Gaza, dont quelque 3 760 enfants (plus que le nombre annuel dâ??enfants tuÃ©s dans le reste des conflits armÃ©s du monde rÃ©unis).

De nombreux autres Palestinien.ne.s meurent Ã cause du manque de carburant, dâ??eau, dâ??Ã©lectricitÃ© et de fournitures mÃ©dicales dÃ» au blocus dÃ©libÃ©rÃ©. Les hÃ´pitaux de Gaza sont Ã peine capables de fonctionner â?? pas dâ??Ã©lectricitÃ© pour les ventilateurs, utilisation de

vinaigre comme antiseptique, opÃ©rations chirurgicales sans anesthÃ©sie â?? et continuent dâ??Ãªtre frappÃ©s par les frappes aÃ©riennes israÃ©liennes. La situation est plus quâ??inhumaine.

Dâ??Ã©minent.e.s spÃ©cialistes juifs.ves et israÃ©lien.ne.s de lâ??Holocauste et des gÃ©nocides ont qualifiÃ© cette situation de Â« cas dâ??Ã©cole de gÃ©nocide Â». Des expert.e.s en gÃ©nocide bosniaque ont Ã©galement dÃ©clarÃ© que Â« ce qui se passe Ã Gaza est un gÃ©nocide Â».

AprÃ¨s la premiÃ¨re semaine de lâ??assaut israÃ©lien, un groupe de plus de 800 juristes internationaux.nales et spÃ©cialistes des gÃ©nocides a Ã©tÃ© Â« contraint de tirer la sonnette dâ??alarme sur la possibilitÃ© dâ??un gÃ©nocide perpÃ©trÃ© par les forces israÃ©liennes Â», tandis que les rapporteurs.rices spÃ©ciaux.ales des Nations Unies sur les droits de lâ??homme ont mis en garde contre Â« le risque de gÃ©nocide contre le peuple palestinien Â», appelant tous les Ã?tats et les organisations internationales Ã remplir leurs obligations en matiÃ¨re de prÃ©vention des gÃ©nocides.

Les massacres et les destructions nâ??ont fait que sâ??intensifier depuis lors. Plus de 60 Ã?tats membres des Nations Unies ont dÃ©sormais utilisÃ© le langage du gÃ©nocide pour dÃ©crire les attaques dâ??IsraÃ«l contre la population de Gaza. Cette semaine, le ministre sud-africain des affaires Ã©trangÃ¨res a fait rÃ©fÃ©rence au gÃ©nocide rwandais et a Â« rappelÃ© Ã la communautÃ© internationale de ne pas rester inactive pendant quâ??un autre gÃ©nocide se dÃ©roule Â».

Les atrocitÃ©s commises Ã Gaza sâ??ajoutant aux 75 annÃ©es de colonisation et dâ??occupation des terres palestiniennes par IsraÃ«l, rien ne devrait sâ??apparenter de prÃ¨s ou de loin Ã la poursuite du Â« business as usual Â».

De nombreuses universitÃ©s irlandaises et de nombreux projets de recherche financÃ©s par lâ??UE collaborent activement avec des universitÃ©s israÃ©liennes. Les universitÃ©s israÃ©liennes sont, selon les termes de la Campagne palestinienne pour le boycott acadÃ©mique et culturel dâ??IsraÃ«l, Â« des complices majeurs, volontaires et persistants du rÃ©gime dâ??occupation israÃ©lien Â» et de ses infrastructures militaires.

Entre-temps, plusieurs universitÃ©s palestiniennes Ã Gaza ont Ã©tÃ© dÃ©truites par les frappes aÃ©riennes israÃ©liennes, et quelque 70 universitaires et 2 000 Ã©tudiant.e.s ont Ã©tÃ© tuÃ©.e.s parmi les civil.e.s.

Nous demandons Ã toutes les universitÃ©s irlandaises de rompre immÃ©diatement tout partenariat institutionnel existant ou toute affiliation avec des institutions israÃ©liennes. Ces liens doivent Ãªtre suspendus jusquâ??Ã ce que lâ??occupation du territoire palestinien prenne fin, que les droits des Palestinien.ne.s Ã lâ??Ã©galitÃ© et Ã lâ??autodÃ©termination soient respectÃ©s et que le droit au retour des rÃ©fugiÃ©.e.s palestinien.ne.s soit facilitÃ©.

A ce stade, toute autre attitude Ã©quivaut Ã un soutien tacite Ã des crimes contre lâ??humanitÃ©.

Bien Ã vous,

Professor Kathleen Lynch, University College Dublin
