---

En tant que musiciens, auteurs-compositeurs, producteurs, ingénieurs et professionnels de la musique, nous refusons de rester silencieux alors que l'apartheid israélien poursuit son oppression génocidaire contre le peuple palestinien indigné. Nous sommes fermement solidaires de leur lutte pour la liberté, la justice et l'égalité, et nous insistons pour que des mesures significatives soient prises afin que les auteurs d'injustices soient tenus responsables.

Nous savons qu'aucun plan de cessez-le-feu corrompu négocié par les États-Unis ne conduira à une véritable responsabilisation ou à la justice : les forces israéliennes continuent d'assiéger, d'affamer et de tuer les Palestiniens à Gaza. Nous ne pouvons pas nous permettre d'être complaisants alors que notre monde est confronté à de multiples crises qui nous menacent tous, notamment la catastrophe climatique, la montée du fascisme et du racisme, et les atteintes aux droits inaliénables.

Nous savons que la véritable solidarité commence par la lutte contre la complicité. Une partie de notre industrie a trop souvent cherché à défendre la libération des Palestiniens. Nous exigeons que cette défaillance morale prenne fin de manière décisive. À cet égard, nous nous exprimons ensemble pour la vie, la dignité et la fin de l'impunité.

Beaucoup d'entre nous ont travaillé avec Live Nation Entertainment. En tant qu'artistes et travailleurs moteurs de l'industrie, nous soutenons les initiatives de principe qui exigent un salaire digne pour tous, le respect des scènes locales et la fin du monopole des entreprises.

Nous ne pouvons rester silencieux alors que Live Nation Israël glorifie l'armée israélienne génocidaire qui a tué plus de 70 000 Palestiniens à Gaza. Nous nous faisons l'écho des appels palestiniens de longue date en faveur de la responsabilisation de Live Nation pour ses années d'artwashing de l'apartheid israélien et maintenant du génocide.

**Nous appelons Live Nation Entertainment à respecter toutes les [revendications légitimes des Palestiniens](#), en abandonnant Live Nation Israël, en adoptant des politiques visant à garantir que sa programmation et ses partenariats ne se rendent complices d'aucune oppression, et en respectant les directives de la société civile palestinienne. Salles et festivals de Live Nation : veuillez vous faire l'écho de ces revendications et vous y conformer.**

Nous ne pouvons plus permettre que notre musique soit utilisée pour blanchir l'apartheid, le génocide ou l'oppression de quelque peuple que ce soit. Notre vision commune d'un monde plus juste et plus pacifique nous anime. Rejoignez-nous.
